THIRD PLACE CANNED MEAT WON MONDAY

Demonstration Clubs Of County Show In Amarillo

59 ENTRIES MADE

First Time County Clubs Have Shown in the Competition

Randall County was awarded third place in total points in the Canned Meat Division of the Amarillo Fat Stock Show this week, despite the fact that this division was announced so late that no special preparation could be made. From the pantries of Home Demonstration Club workers, fifty-nine jars of canned meats were entered in the contest, with two first places, two second places, one one third place, and one fourth place being made. Those winning were: Miss Lois Morman of Sunny Hill, first in American Cheese, Mrs. W. E. Bennett of Park, first on Ground Chicken; Mrs. Carl Fuqua of Highland, second on Mince Meat; Mrs. I. L. Bauer of Johnson, second on Cubed Chicken; Mrs. W. E. Bennett of Park Club, third on Plain Steak; and Mrs. A. E. Wise of Sunny Hill, fourth on Meat Loaf. A county prize of $8 was awarded for third place prize, and individual prizes were given to each of the winners.

Nine of the eleven Randall County Clubs were represented in the showing. Mrs. G. H. Hardman and Mrs. E. J. Bauer of the Exhibiting Committee of the Council were responsible for gathering and labeling the entries.

Miss Bess Edwards, Assistant State Home Demonstration Agent and Miss Ruby Mashburn, District Home Demonstration Agent, both of College Station had charge of the judging of the meats, and J. L. Thomas, also of College Station, judged the cheese entries.

This is the first time the demonstration clubs have put their food stuffs for judging during the Fat Stock Show and the venture attracted widespread interest among the women of the rural districts. Canned beef, chicken, pork, American and cottage cheese in appetizing array, some arranged in dishes ready to serve were displayed.

Baby Beef Club

Two Randall county members of the Baby Beef Club were winners in the show which closed Tuesday.

Miss Lucy Bennett was 9th in the Senior division, and Glen Olesson was 9th in the Junior division.

Herman Robertson Died Monday; Funeral on Tuesday

Herman Robertson, 41 years, died at his home in the southwest part of the county Monday. The funeral services were held at the home Tuesday afternoon, conducted by Rev. J. H. Hicks, followed by interment at the Dreamland Cemetery.

The Robertson family has lived in the county for one year. The deceased is survived by the widow and eight children: Clyde, Howard, Vannie Idell, Dee Christeen, Owen, Doyce, Virgil and Julia Mae. His mother, Mrs. Mollie Robertson, lives in Canyon; three brothers and a sister survive, C. P. Robertson of Canyon, D. C. Robertson and J. W. Robertson of Houston, Miss., Mrs. W. R. Landrum of Canyon.

Petition Will Be Presented Monday For Beer Election

A petition is being circulated in Randall county asking the commissioners court to call a second election for the purpose of legalizing the sale of beer in the county.

The petition is said to be sponsored by citizens living in the north part of the county.

Since the county was voted dry about 30 years ago, the entire county will remain dry until voted wet in a county wide election. If the county had voted dry in precinct elections, then precinct elections could have been held to vote on the beer question.

The beer question was rejected by the voters of the county in August when the vote was taken on the constitutional amendment.

TB Test Gets Good Start in County

Force of Men Doing Free Testing for Stock Owners

The TB test in Randall county is making rapid progress, according to Sam E. Nolley, who is foreman for the work which is under way in all parts of the county. A force of 40 men is being directed by Mr. Nolley in this test. J. D. Gamble is clerk for the county and looking after the office work.

Dr. J. G. Porter is district veterinarian for the Panhandle, and is in direct charge of all supervision. Dr. H. L. Darby of Fort Worth, inspector in charge of field forces, was here Tuesday to check up on the start which was being made.

The monthly meeting of the Randall County Dairymen's Association was held Tuesday night at which time Dr. Darby and Dr. Porter discussed the plans which had been adopted. They were highly pleased with the co-operation which had been extended by this organization, which has adopted the policy of TB test for all dairy cattle in the organization.

Dr. Crabb, head of the Texas Sanitary Commission, was here Sunday to assist with the organization.

"We are making rapid progress the first week, and will finish the county just as rapidly as possible as we realize that Randall county needs the men on other projects," stated Mr. Nolley, yesterday.

While the number of veterinarians who were assigned for the project is still two short, yet excellent progress is being made with the force at work.

The TB test is being administered free for all stockmen. All dairy stock must be tested, and in the large range herds, at least 10% of the stock must be tested in order to secure a certification that the herd is clear of TB.

Wesley Student Banquet Held Saturday at Methodist Church

The eleventh Wesley Student banquet was held Saturday night at the Methodist church, with many guests from among the exes of W. T. present. More than a dozen towns were represented in the gathering of exes.

Rev. M. M. Beavers of Clarendon made the principal address. He was pastor of the local church when the building was erected.

Mrs. T. C. Delaney of Lubbock, the first student secretary, was present and talked of the early history of the organization.

The following was the program:

Toastmaster—Dorothy Gore.

Orchestra, directed by La Trice Quattlebaum.

Greetings—Rev. Quattlebaum, and Mrs. Geraldine Green.

Stunts.

History—Ruth Lowes.

"Pioneer Days of Methodism in England and America"—Ermine Ida Thomas.

"Pioneering in Texas"—Kathleen Bragg.

"Our Growth Thru the Years"—Mae Love.

"The Influence and Worth of What We are Doing"—Lloyd Neeley.

"Methodism Then and Now"—Rev. M. M. Beavers.

Rain of .58 Inch Fell in Canyon During the Week

Canyon received .58 inch rain during the week end. Moisture Thursday morning totalled .10 of an inch, to which was added .28 of an inch Thursday during the day. During Saturday .20 of an inch fell.

The moisture fell slowly, every drop being absorbed by the parched earth. Wheat farmers have been examining their crop the past week, and find that the moisture has started the growth in a wonderful manner. The moisture went into the ground several inches, and the fields are looking very green again. Opinion is that with a normal amount of spring moisture, there will be much more wheat raised in the county this year than was anticipated during the dry fall and winter.

The temperature has been very moderate this week, and the weather has assumed a most spring like appearance.

Help Keep Canyon Clean.

Civil Service Asks Citizens Regarding 13 Applicants Here

About fifty citizens of Canyon received questionnaires Monday from the Civil Service Commission at Washington asking for information regarding the thirteen applicants for appointment of postmaster of Canyon.

A list of twelve names was recently announced from Washington. The name of Mrs. L. A. Donnell was added to the list which was furnished here Monday.

The Civil Service Commission will select three names which will be certified to Congressman Marvin Jones for final selection of postmaster. The term of Postmaster Oscar Hunt expires on March 18th. Whether or not the the final selection will be made by that time, or a temporary postmaster will be selected, is unknown here. In many towns the policy has been adopted of appointing a temporary postmaster until the final selection could be made.

Palo Duro Scenes Will Be Shown In The Texas Outlook

The summer bulletin of W. T. has just attracted the favorable attention of the Texas Outlook, magazine of the Texas State Teachers Association.

The pictures of Sentinel Rocks and of Capitol Peak in Palo Duro State Park were requested by the Outlook for use in a forthcoming issue, and they will be sent at once. These pictures were both made by A. E. Terry.

Other pictures shown in the bulletin are one of the new road into the canyon, the formation known as the Cathedral, a page view of the administration building, two small canyon pictures, and two small campus views.

The summer bulletin reaches hundreds of people in Texas and the Southwest.

Buffaloes Lose In Games Played Oklahoma During Week

The Buffaloes lost two games at Alva, Okla., Monday and Tuesday nights with scores of 37-31, and 42-34.

Last night at Weatherford, the Buffs lost 34-24. The team will end the season tonight at Weatherford.

W. L. Pearson attended to business in Hereford Sunday.

CWA FORCE IN RANDALL CUT TO 189 MEN

Nearly 50% Cut is Made During Past Three Weeks

PROJECTS TO SUFFER

Twenty-six More Workers Dropped From Rolls

Another reduction in CWA forces came yesterday morning to Randall county when 26 were ordered off the rolls for the coming week The quota for the coming week will be 189.

This makes a reduction of 175 men during the past three weeks which have been ordered taken from the local rolls. The reduction has been much greater than anticipated by the local committee which had received notice that the reduction would amount to only 10% per week.

All projects in the county have greatly suffered as the rolls have been reduced. It is likely that most of the road projects will be left incompleted as a result of the rapid reductions which are being made.

More men are needed on the Goodnight Trail to rush the work to completion before the first of May, but the local committee is entirely handicapped by the radical reductions which have been made.

No word has been heard from Washington or Austin as to the possibilities of special treatment for the Panhandle owing to the drouth district. Congressman Marvin Jones and Senator Tom Connally have urged the government to take such action, but so far nothing has been accomplished in the matter of relief.

It was announced from Amarillo Saturday that a new relief set-up for the Panhandle would be ready by the first of this week, but so far, plans have failed to materialize.

The local CWA office is reducing the number of men employed in keeping with the quota given from Austin, at the same time realizing that every man taken from the rolls is in dire circumstances and in great need of the work.

TAKING SCHOOL CENSUS

Andy Walsh, collector of the Canyon Independent School district, has started taking the annual scholastic census of the district.

The trustees in the various common school districts of the county are taking the census in their respective districts.

Mineralogy Has Rich Field Palo Duro State Park

W. D. Mateer, teacher in W. T. spoke Tuesday at the luncheon of the Canyon Rotary Club on the subject of mineralogy. He displayed many samples of minerals which he had taken from the Palo Duro State Park, and others which he had secured in various sections of the United States, Canada, and Mexico.

"There are great possibilities for a good collection of minerals in the proposed museum at the Park," stated Mr. Mateer, who has spent much time in investigating the canyon. Interest should be aroused to preserve this collection for the people of this section. This section is the center of the greatest fossil producing section of the world, and the great universities have taken wonderful collections from the area.

Mr. Mateer was introduced by Harris M. Cook, chairman of the program committee.

H. S. Condron invited Rotarians and other business men to attend the sessions of the International Relations Clubs Friday and Saturday, especially the banquet at Cousins Hall Friday night when Dr. David Maynard will speak.

Birthdays of Allen Farlow and Al Baggett were recognized.

Visitors present were H. Grady Pearson, Arch Hunsley and E. O. Northcutt, of Amarillo.

Dr. Goldsmith To Lecture Saturday Morning at W. T.

Canyon is to have a rare treat Saturday in the coming of Dr. Goldwin Goldsmith, head of the architecture department of the University of Texas. Dr. Goldsmith will speak on the "Fine Arts in Every Day Life." His lecture will be popular in nature and can be easily understood by the layman whose knowledge of art is limited to what he sees from day to day.

Dr. Goldsmith is sent to Canyon by the American Institute of Architects. Canyon was chosen for one of his lectures because it is a college town.

Townspeople are especially invited to this lecture for which there is no charge. The hour is ten-thirty Saturday morning. The place is the Main Auditorium.

Lubbock County Rejects Beer in Election Vote

In the election Saturday in Lubbock county, beer was rejected by a vote of 2,159 to 2,857. The interest in Tech was the strongest appeal made against legalizing beer.

Austin is the only town in the state with a state educational institution which has voted to legalize the sale of beer.

Main Speaker

DAVID M. MAYNARD

Honorable David Maynard, world traveler and internationally known economist, who will give the principal address at the Southwest Regional Conference of International Relations Clubs at W. T. this week end.

PRESIDENT TO ACT ON PARKS AND CCC WORK

Orders Expected Today or Friday From Roosevelt

WORK IS UNDERWAY

New Dam Will Be Completed by First of April

President Roosevelt will sign an executive order today or tomorrow which will have much to do with the future development of the Palo Duro State Park.

The distribution of CCC camps, and the policy of development of parks will be included in the order.

Canyon citizens were called to a meeting in Amarillo Monday morning to formulate plans to resist any attempt that might be made to lessen work now being undertaken at the Palo Duro. Senator Tom Connally and Congressman Marvin Jones were called upon to assist in holding the park project up to the present standard of development. D. E. Colp, chairman of the Texas Parks Board, has requested that work be carried on at the Palo Duro as it has for the last period.

Mr. Colp will arrive here Friday or Saturday to inspect work at the Park, and by that time it will be known what program will be outlined by the federal government for the coming year.

Steel, sand, gravel and lumber for construction of the lodge is being unloaded at the park. Stone is being laid, and within a few days concrete will be poured for the foundation.

Orders came last week for the construction of one dam before the end of this period on April 1st. W. F. Ayers was placed in charge of this work, and is building a 6 foot dam at the upper part of the park property. It will be about half a mile from the north park line, and will back water up to the property line. Owing to the formation of the soil, no large dams will be attempted in the park, but several small dams will be built. Concrete will be poured on the first dam during this week.

Governor Ferguson granted the request of Mr. Colp Monday for a deficiency warrant of $25,000 for the use of the Parks Board. $22,500 of this amount will be used in buying equipment for the various park lodges and cabins.

Do Your Shopping in Canyon.

Clothing Needed Also Bedding

The American Legion Charity Committee is seeking children's clothing, 3 years to 13 years, for a destitute family.

Bedding is also needed by the family.

Those who will assist are asked to call No. 120 and any articles will be called for by members of the committee.

INTERNATIONAL SUBJECTS WILL BE DISCUSSED

Students From Several Colleges to Come Friday

TWO DAYS PROGRAM

World Authorities Will Speak at Sessions Here

Representatives of a dozen colleges from West Texas and from New Mexico will gather at W. T. Friday and Saturday for the annual meeting of the Southwest Regional Conference of International Relations Clubs. A program of great interest to students and citizens who are interested in international affairs has been prepared for the two day meeting.

Prominent speakers scheduled to appear on the program are the Honorable David Maynard, an American of wide experience in world affairs; Ernst Uiberall, an Austrian graduate student in Columbia University; and Miss Amy Heminway Jones, chairman of the International Relations Club Division of the Carnegie Endowment for the Promotion of World Peace.

Officer of Local Club

Officers of the local International Relations Club are: Glenn Reeve, president; Seth Lindsey, secretary-treasurer; Miss Jennie Mae Elliott, corresponding secretary. Professor S. H. Condron, head of the department of government and economics, is sponsor of the organization with Miss Hattie M. Anderson and Miss Ima G. Barlow of the history department and Herschel Coffee of the economics department as co-sponsors.

Official delegates from W. T. who will welcome the guests are Frances Rogers, chairman; John Davidson, Seth Lindsey, Glenn Reeve, Leonard Mills, Herschel Mills, James Compton, Mazie Patton, Alma Lynn Been, and James Stone. President J. A. Hill will make the address of welcome Friday morning.

Invited to Attend Meetings

All other members of the local organizations and all citizens of the county are extended an invitation to attend the meetings held

(Continued on last page)

Mrs. Mendenhall Died Wednesday at Home of Daughter

Mrs. Margaret Frances Mendenhall, 69 years, died yesterday morning at 6:40 at the home of her daughter, Mrs. Joe Black. She has lived here for the past three years, and has been in very poor health.

The body was prepared for shipment by the Griggs-Thompson Funeral Home and shipped this morning to the old home at Purcells, Okla., where the funeral will be held.

The deceased is survived by her daughter, Mrs. J. H. Black, and a son, Reed Mendenhall.

Historical Society Plans Annual Banquet on April 13th

Walter D. Cline, president of the West Texas Chamber of Commerce, and R. C. Crane of Sweetwater will be two of the speakers on the program of the Panhandle-Plains Historical Society when it holds its annual meeting here on April 13, according to Professor L. F. Sheffy the secretary.

Mr. Crane has long been interested in the history and development of West Texas and his talk will be a popular feature of the afternoon program, and those who heard Mr. Cline last summer will be glad to have an opportunity to hear him again.

Last year the meeting was a memorable one because it marked the opening of the Museum. This year's occasion will mark the opening of the Goodnight Trail, which begins at Canyon and goes into the Palo Duro State Park. This road was designated the Goodnight Trail by the last legislature through the efforts of J. O. Guleke of Amarillo. It is expected that J. Evetts Haley, a graduate of the college, will deliver the address in connection with the placing of a marker at the beginning of the road.

PANHANDLE MEMBER 1933 PRESS ASSOCIATION

Roosevelt's First Year One of Most Eventful in Nation's History

ONE of the most momentous years in American history—the 12 months since President Roosevelt took office—has drawn to a close.

March, 1933, came in like the proverbial lion. Besides blustering winds, it brought an epidemic of bank closings, visions of ruin to business, and general economic chaos. Then March 4, Inauguration Day, arrived; and the United States began to "march forth" toward recovery.

With Roosevelt's confident hand on the nation's throttle, things began to hum.

A description of the picture today tells something of what he has accomplished.

The country's banking system, tottering a year ago, is convalescing under federal control. RFC's billion-dollar investment in U. S. banks insures federal guardianship. The "little man's" deposits now are guaranteed.

The Glass-Steagall Act, among other reforms, has parted big banks and their investment affiliates; no longer will banks indulge in gambling orgies with their depositors' funds.

The Securities Act provides that an investor must be given all the facts about new securities before he buys them. And legislation aimed at federal control of Wall Street is on the way.

• • •

THE financing which took place during Roosevelt's first term staggers the imagination. Billions were borrowed for relief and recovery. By his devaluation of the dollar, other billions were created to be used by him in stabilizing the dollar, once the 1926 price level is restored.

But despite his drastic money measures, the nation's credit remains sound. And there has been no general tax increase.

With his depreciated dollar, the president hopes to raise commodity values to the point where both industry and agriculture can get back to normal.

Likewise, the cheaper dollar permits the nation's debtors to unload debt burdens assumed at a time when the dollar was cheap. The domestic price level, gradually rising, promises fulfillment of these aims.

President Roosevelt is shown at his desk, studying one of the many phases of his "New Deal."

PRESIDENT ROOSEVELT'S "alphabet" agencies—NRA, CWA, CCC, PWA, RFC, and the like—have accomplished innumerable things. Under the NRA, great progress has been made toward placing 7000 U. S. industries, with a normal 27,000,000 workers, under codes of fair competition, in which they agree to pay a decent wage for a shorter work week, ban child labor, and allow employes the right of collective bargaining.

The CWA has kept 4,000,000 persons at work throughout the winter. The $3,300,000,000 public works program is well under way. FERA, the billion-dollar direct federal relief agency, has helped many families to pass comfortably through a rigorous winter.

And federal credit is pouring out to home owners, banks, insurance companies, railroads and other industries through the RFC and the FHOLC.

To the aid of miserable, debt-ridden farmers, with huge, unmarketable surpluses, came the AAA. With money obtained by taxing processors, farmers were paid for withdrawing land from production.

Dollar depreciation and trade agreements are stimulating agricultural exports. The cheaper dollar, increased prices, federal financing of farm mortgages on easy terms through FCA, and lower interest rates, have helped to lighten farm debts.

Current statistics show that the farm situation already has improved.

• • •

AND Roosevelt looks to agriculture's, and America's, future with a long-time plan to retire poor farm land permanently. To this sub-marginal land, hundreds of thousands of families will be transplanted, to make their living through small industries and subsistence gardening.

Federal subsistence homesteads already are operating in 15 communities.

Thus, despite his inspiring show of energy and vitality in solving, during his first year in office, tremendous problems of the present, Roosevelt, it seems, still has found time during that critical period to plan for his country's future.

The New Deal has been working for one year. Without doubt the country is in better condition than it was a year ago. Confidence has slowly been restored, which is the greatest step possible for a nation to make. A united people behind an aggressive leader presents a definite stand against the ravages of the depression. Up until a year ago the nation was in a dream. Something had happened, what, no one knew. A sudden awakening came with the closing of all banks, and the people realized that only a miracle could save us. Furthermore, a miracle worker must be in charge of the situation. With a confidence that only impending disaster can inspire, Democratic ideals were thrown aside and a one-man government established almost over night. The people are pleased with the progress of the past twelve months. They realize that recovery cannot be accomplished over night. They realize that possibly the government has been lifting itself up by its bootstraps, but at the same time, an honest effort is being attempted to do something to solve the situation.

Unemployment will increase in the Panhandle in the same proportion as CWA decreases in spite of the appeal being made from Washington. There are no industries to absorb those taken off CWA projects, and farmers will not be able to employ additional men. Unemployment always hits first those who are inefficient and not prepared for any particular jobs; and second, it hits those, no matter how efficient and highly trained, are engaged in professions upon which the public looks as of the luxury class. Between these two extremes are thousands of good men who were caught in business and professional vocations which could not continue to carry the heavy load of the past. They are the victims of circumstance over which they have no control. To get all of these back into profitable jobs is an undertaking which cannot be solved in a day.

Lee Simmons, manager of the Texas penitentiary system, has decided not to run for governor. He was petitioned by several hundred voters to make the race. Mr. Simmons is doing a wonderful job as manager of the system and so far as the people of Texas are concerned, he is doing a better job in his present situation than he could ever expect to do as governor, even should he survive the hard battle of the summer primaries.

Caps and capes for the high school band is the objective of a committee from the school board, which will interest the people of Canyon in the worthy project of raising $150 to outfit the high school band. The band is playing good music, but when it comes up against the neatly uniformed bands of other high schools its members cannot help but wonder why the citizens of Canyon have not shown sufficient interest to properly outfit the band. All of the students playing in the band have furnished their own instruments. They are playing for the love of music and for the love of their school. It will be a fine thing for the people of this district to raise the necessary $150 in order to properly outfit the members. The improvement in their music will be worth the small amount of money necessary to buy the caps and capes.

Dillinger escaped with a wooden pistol. More nearly describing the situation would be to say that he escaped because of wooden heads running the jail. He was smarter than the jailers, and they realized it, thus creating a fear for the bold outlaw. But the fact nevertheless remains that the public will never be satisfied until it is ascertained who the guilty parties were to make it possible for Dillinger to pass so many guards and locked doors with the greatest of ease.

The increase in fire insurance rates in Canyon comes as a result of too many fires and too heavy property loss by these fires. Property owners always pay the fire losses, although the person who has the fire may collect directly from the insurance company. Carelessness in allowing fire hazards to exist is a mighty bad thing for the community. A thorough clean up in Canyon might save some additional fires in the near future.

General Johnson invites criticism of NRA. The impatient person will answer by calling attention to the fact that NRA did not overnight restore the nation to the abnormal condition of 1929 when everyone thought he was, or was about to be a millionaire. The thoughtful will praise the slow beginning as a step in the right direction, which will eventually do a lot of good in the nation.

Thirteen may be an unlucky number, but the race for the postmaster of Canyon, number 13 will bring luck to some one applicant. Twelve will be rejected, and the 13th will be chosen.

Highland News

Attendance this week at school has been very poor on account of the cold weather.

Carl Fuqua attended a meeting in Umbarger Thursday night.

The Highland Home Demonstration Club will meet Tuesdays now instead of Fridays. The next meeting will be with Mrs. Floyd Mitchell in Wildorado.

Mr. and Mrs. Howard Rogers were in Amarillo Thursday.

Mr. and Mrs. E. D. Roberson were callers in Amarillo Wednesday.

C. L. Murr left Wednesday for Fayettesville, Arkansas.

Mr. and Mrs. Joe Bedenk were in Amarillo Saturday.

Mr. and Mrs. Carl Fuqua and family and Miss Esther Stewart visited in the Thomas Watson home in Wildorado Tuesday evening.

Mrs. C. L. Murr and Curtis were in Amarillo Friday and Saturday.

Mr. and Mrs. Harry Elam spent Thursday in the Carl Fuqua home helping can beef.

News in Canyon 25 Years Ago

(Taken from the files of the Randall County News of March 5, 1909)

Judge A. N. Henson called a meeting of the Civic Improvement Association for the purpose of planting more trees in Canyon. Talks on trees were made by W. F. Heller, S. L. Ingham, and others. A committee to solicit the citizens to plant trees was composed of Mrs. S. L. Ingram, Mrs. B. T. Johnson, Mrs. D. M. Stewart, and Mrs. J. C. Pipkin.

Canyon high defeated Amarillo high 12-10 in baseball. Battery for Canyon, Pug Cavet and Hud Prichard.

R. G. Oldham spent the week in Happy opening a new stock of merchandise in which he is interested.

E. A. Upfold, Sam Heyser and Sam Shotwell were appointed to hold the annual city election.

Bids were called for the erection of the first National Bank building.

J. H. Garrison and C. R. McAfee dissolved partnership, with Mr. McAfee continuing the business.

Zita Breezes

The farmers of the community appreciate the rain of Saturday and hope that there is more to come.

Mr. and Mrs. John Moody had as their guests over the week end his father and brother.

Mrs. Carrie Phillips from Ozark, Arkansas, is visiting her son, C. C. Stewart.

Mrs. Bertha Gowdy and children spent the week end with Mrs Emma Gruner.

Frank R. Phillips and some of his classes from the College at Canyon visited in this community Friday afternoon.

Mrs. C. C. Stewart and family spent Sunday with Mrs. E. M. Elliott. Mr. and Mrs. Boyd Elliott and Dickie were also there.

Rusk Quizzes

We certainly appreciated the nice rain we received the past week.

Leona Dowdy visited Lucille Smith Monday evening.

Mr. and Mrs. R. L. Neelley from Oklahoma Lane spent the week in the C. L. Neelley home.

Mr. and Mrs. Clarence Stalling and daughter visited Mr. and Mrs. J. T. Sykes and family Sunday.

Lorene Smith spent the week end with Louise Groom.

Mr. and Mrs. R. N. Henry and family visited Mr. and Mrs. Cecil Henry of Wayside Wednesday.

Henry Ellis was calling in Canyon Saturday.

An item in a Santa Barbara, Calif., paper tells about a husband going on a honeymoon without his bride. That's what you call the height of absent-mindedness.

HOW WOMEN CAN WIN MEN AND MEN WIN

The Favor of Other Men

Unless two pints of bile juice flow daily from your liver into your bowels, your food decays in your bowels. This poisons your whole body. Movements get hard and constipated. You get yellow tongue, yellow skin, pimples, dull eyes, bad breath, bad taste, gas, dizziness, headache. You have become an ugly-looking, foul-smelling, sour-thinking person. You have lost your personal charm. Everybody wants to run from you.

But don't take salts, mineral waters, oils, laxative pills, laxative candies or chewing gums and expect them to get rid of this poison that destroys your personal charm. They can't do it, for they only move out the tail end of your bowels and that doesn't take away enough of the decayed poison. Cosmetics won't help at all.

Only a free flow of your bile juice will stop this decay poison in your bowels. The one mild vegetable medicine which starts a free flow of your bile juice is Carter's Little Liver Pills. No calomel (mercury) in Carter's. Only fine, mild vegetable extracts. If you would bring back your personal charm to win men, start taking Carter's Little Liver Pills according to directions today, 25¢ at drug stores.

Refuse "something just as good", for it may gripe, loosen teeth or scald rectum. Ask for Carter's Little Liver Pills by name and get what you ask for. ©1933, C.M.Co.

MRS. JOHNSON
(The Insurance Salesman's Wife)
SAYS . . .
"I CAN BUY NOW BECAUSE I COOK WITH GAS"

CARL JOHNSON is a life insurance salesman, and planning savings is his daily work. He and his wife use the same plan in their family budget that he recommends for others. Carl thinks that some savings should go for insurance, some for other stable investments and some for taking advantage of special prices on goods for future consumption.

The Johnsons have found that judicious buying is one way to save that many overlook. They count gas for cooking as one of their greatest bargains because it is worth $1.75 more per 1000 cubic feet than is asked for it, as compared to substitute fuels, based on the findings of a large university.

They multiply $1.75 by the number of thousands of cubic feet of gas used for cooking per year and find that their total annual savings amount to $26.25 on this one item, used for one purpose.

This money goes to Mrs. Johnson to take advantage of other bargains, because they apportion the money for insurance and other investments directly from Carl's earnings. Recently she has noticed some exceptional bargains advertised in this newspaper by local merchants. Economic forecasts, present prices and the advertisements, themselves, all say "Buy Now." Mrs. Johnson intends to do that very thing with the $26.25 she has saved by cooking with gas. It is surprising the number of items that this amount of money will buy.

Mr. and Mrs. L. H. Holman and children went to Canyon Saturday on business.

Miss Gertrude Brandt spent Sunday afternoon in the Evers home.

Marshall Rhodes was at the Roy Davis home on business Tuesday morning.

Miss Eula Hardman of Canyon visited the L. H. Holman's Monday.

Mrs. J. L. Buchanan and Mrs. Joe Tucek were in Amarillo Monday to attend the celebration of Mother-in-Law's Day in that city

IN THE WORLD OF SPORTS

Congress Convenes—But This Time It's the American Bowling Congress, at Peoria, Attended by 6000 Keglers

BY PHILIP MARTIN

FROM March 8 until April 9, there'll be an upturn in the lumber business. During that period 6000 bowlers will be mauling the pins at Peoria, Ill., for $60,000 in prize money put up by the American Bowling Congress.

This annual classic of the keglers, now entering its 34th year, will bring together the cream of the country's maple bruisers.

Last year's meet, held in Columbus, O., gave birth to a new all-time nine-game record by Gilbert Zunker of Milwaukee, who rolled a 2060 string to take first place.

It was during this meet, too, that the record of Billy Knox, Philadelphia roller, was equaled. Billy rolled the first "300" game of tenpins in Congress competition back in 1914. J. Karstens of Fort Sheridan, Ill., repeated during the Columbus classic.

One mark the boys have been shooting at since 1930 is that of Larry Shotwell, Covington, Ky., bowler. At the Cleveland Congress, in 1930, Larry set up a three-game record score of 774. It hasn't been approached since.

The one big prize of the tournament will be $1000 and medals to the winning five-man squad.

* * *

THE star of this winter's pro golf hasn't been one of the favored sons, Craig Wood, Paul Runyan, or any of the others figured to cop big money. It's been Wiffy Cox, eastern pro, who cleaned up big in two western tournaments.

At the beginning of the year Wiffy announced he would win three major winter tournaments before he was through. Then he went out and copped the rich Agua Caliente Open, and followed with a win in the Texas Open. He's gunning for that third win now.

One mark that many will be trying to break at the ABC is the three-game score of 774 set by Larry Shotwell, above left, in 1930. At right is Wiffy Cox, star of this winter's pro golf season. Powel Crosley, wealthy owner of the Cincinnati Reds, is shown inset.

THERE are two new big league club owners this year who are going to have decidedly improved clubs—Tom Yawkey, owner of the Boston Red Sox, and wealthy Powel Crosley, who bought the Cincinnati Reds.

Much has been said about Yawkey's freedom with his dough when in search of material. He has assembled a brilliant array of stars in Beantown, headed by Lefty Grove.

Not much has been said about Crosley—because he hasn't had time to start rebuilding. But you can look for a brand-new Red lineup when the boys open the season in April. That fellow doesn't let moss grow under his feet.

Lakeside News

Mr. and Mrs. A. D. Schneider visited George Schneider and family Sunday.

Albert Byars and family visited Mr. and Mrs. N. S. A. Byars Sunday of Lockney.

Mr. and Mrs. L. B. Hammond and daughter, Imogene, visited Mr. and Mrs. Ralph Jones Sunday afternoon.

Mr. and Mrs. Frank Garrett visited Mr. and Mrs. Blanton Monday afternoon.

J. B. Latham of Amarillo and daughter visited in the L. T. Campbell home Sunday.

Lloyd and Fred Ritchey visited in Lockney Sunday afternoon and Monday.

Harriett Dickinson, who is teaching in Lockney, spent the week end with her parents, Mr. and Mrs. T. C. Dickinson.

Albert Byars and sons, Harold and Wayne, were in Canyon on business Saturday.

Mr. and Mrs. A. D. Jones from Roswell, New Mexico, visited Mr. and Mrs. Andrew Jones, Tuesday.

Fred Fegel was in Amarillo on business Monday.

Handshaking is said to be going out of style among the politicians, while backslapping is still favored as a means of getting votes. We would suggest, though, that the politicians temporarily change back to handshaking during the sunburn season.

Another way to get rid of your troubles is to try carrying the other fellow's burdens.

Before giving advice a wise man prepares to dodge the consequences.

Most of us pay little attention to such things as the machine age until the good wife calls our notice to it and hints about for a new one.

Mane Exhibits at Dog Show

Here are a few members of dogdom's upper crust which mingled with other of the canine elite at a recent New York dog show. The prize-winning old English sheepdog, above, left, seems to be moaning, "Hair Gets in My Eyes." And the Afghan hound, "Begum," above, right, has a certain hangdog look. But, for sheepishness, "Exiled Laddie," Bedlington terrier, shown below, takes the prize.

When you feel half dead and your cheerful loved ones insist that you look unusually well, you can't tell whether they are kidding you or just trying to be hateful.

DOCTOR'S ANSWERS To Questions

By P. C. Cripps, M. D.

Q. I get attacks of indigestion and the gas presses up around my heart, I belch gas frequently and I have a burning sensation in my chest. What can I do to help this condition?—"Anxious."

Ans.—Usually such cases are benefited by strict diet of vegetables or milk. A good tonic like Dr. Pierce's Golden Medical Discovery, is used by many people and has my greatest confidence. To be had at any drug store.

A. A. U. W. MEETS WITH MRS. HILL

The American Association of University Women held its March meeting at the home of Mrs. J. A. Hill Monday night, with Mrs. Carl Scott, Mrs. Irby Carruth, Mrs. Ray Campbell and Mrs. Hill as hostesses. About forty of the members participate in the study and business sessions, with Miss Novella Goodman, vice president presiding in the absence of Mrs. T. B. McCarter, president.

The magazine committee of the Association reported that 80 magazines had been collected for distribution to the country schools of the county.

A telegram was sent to Congressman Marvin Jones in connection with important pending legislation.

Two committees were asked for, one to complete the plans for the dinner in connection with the coming of Max Montor on April 2, the other to make arrangements for the entertainment of Canyon's 1934 classes of high school girls.

The Max Montor program of dramatic readings will take the place of the regular April meeting. On this occasion members of the Amarillo and Pampa branches of the A. A. U. W. will be asked to join with the Canyon branch in enjoying a program which promises to be a rare treat.

1930 BRIDGE CLUB MEETS AT C. H. JARRETT HOME

The hospitality of Mrs. C. H. Jarrett was enjoyed by members of the 1930 Bridge Club Friday afternoon when she entertained at her home at 2501 Seventh Avenue.

A color note was given by the use of St. Patrick's Day tallies and score pads. At the tea hour, a salad plate, using the same colors and carrying shamrock plate favors, was served.

Those present were: Mrs. J. L. Duflot, Mrs. J. S. Humphreys, Mrs. Joe Gamble, Mrs. R. A. Terrill, Mrs. D. A. Shirley, Mrs. L. Angel, Mrs. Clyde Warwick, Mrs. S. L. Ingham, Mrs. R. P. Jarrett, Mrs. W. R. Clark, Mrs. C. R. Burrow, and Mrs. Jim Redfearn.

IMOGENE MACHEN IS WED AT CLOVIS

Miss Imogene Machen of Canyon and J. V. Bostick of Portales were married at Clovis on Feb. 25, Rev. J. F. Nix, pastor of the Baptist church officiating. Miss Sybil Machen, sister of the bride, accompanied the couple.

The bride is the daughter of Mr. and Mrs. B. F. Machen of this city, graduating from the high school in 1931. The groom is a young business man of Portales. He graduated from the Portales high school in 1932, being president of the class and captain of the football team.

Mr. and Mrs. Bostick will make their home in Portales.

WORTHWHILE CLUB WITH MRS. SCOWN

Mrs. H. J. Scown entertained members of the Worthwhile Club at her home on Seventh Avenue last Thursday afternoon. Following the social hour, sandwiches, cake and cocoa were served to Mrs. W. L. Johnson, Mrs. A. M. Smith, Mrs. Harris, Mrs. McKee, Mrs. W. T. Davis, Mrs. F. A. Thomas, and Mrs. Charles.

JUNIOR WOMAN'S CLUB WITH MRS. J. A. HILL

Mrs. J. A. Hill graciously opened her home Monday afternoon to members of the Junior Woman's Club for their regular meeting and social hour. At the business meeting, plans for the benefit dance being given Friday evening by the Woman's Book Club and the Junior Woman's Club for the benefit of the Randall County Library, were discussed.

Mrs. C. W. Batchelder, who was in charge of the program, read a paper on "Modern Furniture and How to Choose It."

A game contest was played and then the guests were invited into the dining room where tea was being served. A lovely bouquet of flowers made the centerpiece of the table from which the plates were served. Mrs. J. S. Humphreys poured tea.

Those present were: Mrs. Herschel Jennings, Mrs. J. A. Edwards, Jr., Mrs. Mitchell Jones, Mrs. Carl Scott, Mrs. M. L. Saddoris, Mrs. Harry Wood, Mrs. Winfield Miller, Mrs. Aubrey Fox, Mrs. R. E. Ball, Mrs. R. N. Barnett, Mrs. Levi Cole, Mrs. C. W. Batchelder, Mrs. J. S. Humphreys.

MRS. J. L. DUFLOT HAS MERRY MAIDS AND MATRONS

St. Patrick's Day colors of green and white were used by Mrs. J. L. Duflot Thursday afternoon when she entertained members of the Merry Maids and Matrons Club.

Five tables were placed for the games of forty-two for which St. Patrick's decorated tallies and score pads were used. At the refreshment hour, a dessert course using the chosen colors was served at tables covered with St. Patrick's luncheon covers.

Seated for the games were: Mrs. L. Angel, Mrs. H. A. Brown, Mrs. S. H. Condron, Mrs. Harris M. Cook, Mrs. C. M. Dowlen, Mrs. C. R. Flesher, Mrs. John Fry, Miss Edna Graham, Mrs. Geraldine Green, Mrs. J. A. Hill, Mrs. J. S. Humphreys, Mrs. R. P. Jarrett, Mrs. C. A. Murray, Mrs. F. E. Savage, Mrs. A. W. Sternenberg, Mrs. R. A. Terrill, Mrs. Dan K. Usery, Mrs. W. L. Vaughan, Mrs N. E. McIntire, and Mrs. Clyde McElroy.

PRISCILLA NEEDLE CLUB WITH MRS. GOODMAN

Mrs. A. K. Goodman entertained the Priscilla Needle Club at her home Wednesday afternoon. Following the usual hour of needle work, the hostess served a tasty dessert course.

Those present were: Mrs. R. E. Ball, Mrs. Alfred Bellah, Mrs. J. L. Duflot, Mrs. H. W. Hartman, Mrs. Ray McReynolds, Mrs. Felix Neff, Mrs. C. M. Presley, Mrs. Frank Hicks, Mrs. J. J. Walker, Mrs. M. L. Saddoris and Mrs. Foster.

PROGRAM OF MISS BASS FOR WEEK OF MARCH 12

Miss Bass gives the following as her program for next week:

Monday: Office.
Tuesday: Zita Club.
Wednesday: Umbarger 4-H Club and West Side H. D. Club.
Thursday: Johnson Girls, and Johnson H. D. Club.
Friday: Centerview Girls and Umbarger H. D. Club.
Saturday: Office.

CENTERVIEW H. D. CLUB MET FRIDAY, MARCH 2

Mrs. E. W. Schaeffer was hostess to the Centerview Home Demonstration Club Friday, March 3. A the short business session, a party was planned for March 10 at the home of Mrs. E. W. Miller.

Miss Sadie Kate Bass, demonstration agent, scored jars of beans and peas, then gave the demonstration on the methods of cooking beans. Budget making was discussed.

Ten members and two visitors were present. The next meeting of the club will be on March 16 at the home of Mrs. E. W. Miller.

WEST SIDE H. D. CLUB WITH MRS. J. W. BOURN

Mrs. J. W. Bourn was hostess to the West Side Home Demonstration Club Wednesday afternoon, February 28. An article on the Educational Fund was read by Mrs. W. C. Roberts, and contributions were made to the fund by the club members.

Mrs. J. J. Wright, wardrobe demonstrator, then took charge of the program and demonstrated the cutting of a skirt foundation pattern.

Mrs. B. A. Burrus will be hostess to the club on March 14.

DINNER BRIDGE AT McCORMICK HOME

Mr. and Mrs. Bailey McCormick were hosts to several of their friends Wednesday evening at their home in the Zita community. A delicious baked chicken dinner was served with the St. Patrick's Day color scheme of green and white being used in the luncheon covers and in the dessert course.

Following the dinner, games of bridge were played.

Those present were: Mr. and Mrs. Kermit Schramm, Mr. and Mrs. Jim Rose, Mr. and Mrs. Ben Nesselroad, Mr. and Mrs. Nay Hale, and Mr. and Mrs. Wayne W. McCormick.

IS MARRIED FORMER CITIZEN

Announcement has been made of the marriage of Miss Minnie Lee McMillan of Matador, formerly of Canyon, and Mr. W. F. Hawley of Matador, on February 5, 1934. The couple are making their home at Matador.

ROGER GIST IS NAMED DIRECTOR FUEL ASS'N

Roger B. Gist was elected a director of the Consumers Associated, Inc., at the meeting held in Amarillo Tuesday. This organization covers Northwest Texas and part of western Oklahoma.

H. W. Crain, president, and Worth A. Jennings, manager, of the local Consumers Fuel Association, Inc., attended the meeting. Mr. Jennings nominated Mr Gist for director.

Mrs. J. B. Gamble and Mrs. Millard Word attended the Cattleman's Convention at Amarillo Tuesday.

CARD OF THANKS

I thank my friends and appreciate the many visits of friends and neighbors, and every thing which was done in the interest of my welfare while I was confined to my home.

JOHN KNIGHT.

Take Care to Be Properly Careless

CAPES, SWAGGER COATS, RAGLAN SLEEVES LEND THAT DEBONAIR, NONCHALANT AIR SO POPULAR THIS SEASON

BY HARRIET

THAT elusive nonchalance, loved by modern women, is entrenched firmly in 1934's spring fashions.

Catch a woman (one who wears her clothes in the approved casual manner) off guard and ask her just how she achieves the fascinating effect. If you're the type that inspires confidences, she may admit that she spent hours before her mirror trying to look carefully careless, and then stepped out to impress the world with the complete nonchalance with which she dresses.

Call it the eternal feminine inconsistency, if you like, but girls are that way and fashion designers are fostering their tastes for costumes of the nonchalant type.

For instance, raglan sleeves are in the fore, as well as swagger coats, scarf collars, wide sleeves, capes of all descriptions, and pleats that have a certain debonair air about them.

• • •

CAPES combine two high fashion points. They let you look nonchalant and at the same time have that much-talked-about movement in an outfit. For capes never stand still. They float and flutter gracefully when you walk and ripple a little even when you're standing still.

Fabrics, not to be outdone, lend helping hands to the casual mode. The new tweedy mixtures, which are as British as the proverbial London fog, fashion some of the handsomest suits on the market. The linen and wool weaves and materials of soft rabbit's wool give costumes something that pleases the wearers. For a girl who takes casualness seriously, everything is in her favor this spring. That is, everything except colors.

Shades of pastels and tones of vivid hues vie with each other for favor. No brunet will be truly happy until she has a frock of egg-yolk yellow. Then there's Martini green for the blonds, though brunets can wear it, too.

Photos Courtesy Lord and Taylor, New York.

A charming three-quarters jacket which fastens at the neckline under a casual little white cowl collar distinguishes the navy blue ensemble, above. Short kimona sleeves and the new soft neckline feature the buttercup yellow dress at right.

• • •

A NAVY blue ensemble that has a charming three-quarters jacket which fastens at the neckline under the casual-looking little white cowl collar gives a woman that prized feeling of nonchalance.

Flat velvet flowers are massed against the upturned brim of the blue straw hat, and the blue kid shoes have a windswept design in white stitching.

The buttercup yellow dress with short kimona sleeves and the new soft neckline is casualness personified. The material is a new weave of linen, rayon, and wool. The smart dressy oxfords are of blue kid, and the off-the-face hat is in blue straw.

LOCAL NEWS

Senator J. W. Reid left Tuesday for Austin and Dallas on business.

Mrs. M. E. Cleavinger and Mrs. John Knight attended Mother-in-law day in Amarillo Monday.

Mrs. W. B. Hicks of Perryton visited with her parents, Mr. and Mrs. John Knight on Monday.

Miss Roxy Grove of Waco visited in the John S. Humphreys home over Sunday. She is head of the music department of Baylor, and president of the Federated Music Clubs of Texas.

J. W. Shanklin, superintendent of the Brownwood State Park, spent the week end here with his family.

Mr. and Mrs. G. A. Farlow, J. Madison Daugherty, and W. J. Wooten made a trip to Fort Worth over the week-end. Mr. and Mrs. Farlow were attending a Frigidaire Dealers' Convention; Mr. Wooten was attending to business, and Mr. Daugherty visited with his relatives there.

Mrs. O. J. Laas and daughter returned to their home in Plainview Sunday.

Mrs. J. B. Sykes was taken to Amarillo last week with an attack of appendicitis, but was returned home without an operation Friday.

Lennord Stock spent Sunday with his parents. He is in the Bandelier Camp, CCC, at Santa Fe, N. M.

More Books And Shelves Added to County Library

The Randall County Library is larger by twenty-five books than it was last week, and 90 feet of additional shelves have been added to the reading room. Books can now be seen to better advantage than heretofore. The shelves were put up Tuesday morning and Tuesday afternoon the number of people who used the reading room was increased over any days before that.

More books are needed as the librarian frequently has calls for books not on the shelves. Children's books, western stories, books telling of things boys or girls can do or make are much in demand.

Members of the Home Demonstration Clubs and of the 4-H clubs could use the library more if there were magazines containing recipes, pictures of well arranged rooms, discussions of marketing, canning, poultry raising and flower gardening.

Mrs. Ray Campbell will call for books or magazines which people will give to the library if they will let her know when to come for them. Her telephone number is 87. It is hoped that all of the new shelves will be completely filled by Monday as the County Commissioners have been invited to inspect the library at that time.

Everyone in the county is invited to visit the library on the afternoons of Tuesday, Thursday and Saturday, to read the books and magazines while there and to purchase book cards, according to Miss Fannie Malone, the librarian.

Among the interesting books which were donated at the book shower and have not been listed in the News before are:

Burtis: Rex Lee's Mysterious Flight.
Chamberlain: Africa.
Cooke: Colonel Ross of Piedmont.
Curwood: Valley of Silent Men.
Dickens: Old Curiosity Shop.
Disston: Tool Manual.
De Morgan: Alice for Short.
French: Recent Poetry.
Goldsmith: Goody Two Shoes.
Hall: Colossus.

Umbarger Items

Mr. and Mrs. Charles Friemel and daughter Leona Mae, were dinner guests at the home of Mr. and Mrs. George Vorwald, Sunday.

The 4-H Club girls had the regular meeting at the Umbarger School, Wednesday, Feb. 28. All the members were present but two were out.

Miss Bass demonstrated the button hole stitch and gave an assignment on the making of button holes for the next meeting.

Joe Frank visited at the home of Mr. and Mrs. Fritz Friemel Saturday and Sunday.

Joe Friemel and son George, were callers in Canyon Tuesday.

Mr. and Mrs. Clem Friemel of Hereford were visitors at the home of Mr. and Mrs. M. Hollenstein Sunday.

John Bedenk and John Vorwald were business callers in Amarillo Saturday.

Joe Frank, Alfred Friemel and Joe Wieck returned to the Price Memorial College in Amarillo Sunday after the week end visit at home.

EPISCOPAL CHURCH

Rev. Warwick Aiken will conduct the Lenten service and preach at the Episcopal Church, next Sunday night, March 11th, at eight o'clock.

The subject of his sermon will be "The Nation That Is No Nation," and he will discuss the prophecies concerning Israel.

All faculty members, students and Canyon residents are cordially invited to be present, and to meet Mr. Aiken afterward at the little House of Fellowship.

PRESBYTERIAN CHURCH

The following services will be held at the Presbyterian Church Sunday, March 11:

Sunday School, 9:45 a. m.

Morning worship, 11 a. m. Subject, "The Grasshopper Complex."

Evening Service, 7:45 p. m.

McCLURE MOVES OFFICE

S. B. McClure moved his office Saturday from the Bradford building to a building on the south side of the square.

Grim Scenes in Gay Vienna

These pictures, taken during the bloody civil war which claimed a toll of a thousand lives in Austria, reflect the terror which reigned during the fighting. Wary citizens are shown above peering around a corner at soldiers rushing to storm the lair of Socialists. Note the barricade in the foreground. At bottom left, soldiers are shown preparing their guns for bombardment. Damage wrought by cannon shot in the walls of the Karl Marx apartments, where many were killed and wounded, is shown bottom right.

Educational Program Gets Under Way At the Palo Duro Camps

The new educational program at the CCC Camp is getting under way with L. B. Lockhart of Company 1929 as senior director, and the remainder of the faculty composed of R. W. Carlton of Company 1821, W. D. Hardin of Company 1824 and C. R. DeArmand of Company 1828.

Dr. J. A. Hill gave the address last night at the first general assembly of the men under the new plan. He was assisted by Miss Lois Cleavinger, Miss Dorothy Clark, and Miss Florine Bowman, who furnished musical numbers and readings, and Mr. W. E. Lockhart and Mrs. T. V. Reeves.

The educational directors hope to establish as many classes as the men of the camp need to enable them to carry on studies which will be helpful to them when they return to their regular occupations.

FOY DRYDEN ANNOUNCES COUNTY COMMISSIONER

R. Foy Dryden was in the city Monday announcing his candidacy for county commissioner, precinct No. 4.

Mr. Dryden stated that he will make a formal announcement regarding his views on county problems in the near future.

Mr. and Mrs. John Jackson and daughter, Gay, moved yesterday to Amarillo to make their home. Mr. Jackson is associated with Tony Chisum in the automobile business.

W. T. Students Enter Judging at Fort Worth

Four college students and Professor Frank R. Phillips will leave tonight for Fort Worth where they will attend the Fort Worth Fat Stock Show and the students will enter the Junior Judging Contest.

The judging team is composed of Woodrow Toone, Tulia; J. R. Bertrand, White Deer; J. T. Brown, Dumas, and Hugh Currie, of Amarillo.

The W. T. College teams have been very successful in the past and the boys hope to bring home some honors this year.

Jowell Items

Mr. and Mrs. Armstrong visited in the Joe Cox home Sunday.

Jowell school and community enjoyed a good pie supper Friday night. The proceeds will be spent for playground equipment.

Mr. and Mrs. R. D. Montgomery of Friona are visiting in the home of I. H. Hollabaugh.

Visitors in the C. W. Smith home Sunday were Mr. and Mrs. Bill Simms and Miss Abbie Leavitt.

Mr. and Mrs. Frank Dorris visited in the Burnam home Sunday.

Mr. and Mrs. Buron Fewell and Leroy Leavitt returned from Linz, Texas, Saturday evening.

Mr. and Mrs. G. J. Bonds and family spent Sunday with relatives in Plainview.

Mr. and Mrs. Roy Roberts and family spent Sunday evening in the T. J. Bonds home.

Little Mary Belle Cope visited in the W. T. Cope home this week end.

Mr. and Mrs. Bernice Whittington of Amarillo spent Sunday evenig with Mr. and Mrs. V. E. Dodson.

Help Keep Canyon Clean!

Good PACKAGE COFFEE

TEXAS' LARGEST SELLER

We cordially invite you to visit Canyon Grocery Saturday. We will harbor no grudges if you do not make a purchase, although we would like to have you try

BRIGHT & EARLY COFFEE

3 lbs., Saturday only, 65c

THE EAGLE'S TALE

VOLUME NO. 8 | CANYON, TEXAS MARCH 8, 1934. | NUMBER 23

Now won't them football boys' gals be glad they got them purty sweaters fer playin' sech good football. I heerd Bud Meyer wuz goin' to lose his sweater rite soon, Bud you'd better be careful cuz your sweater would fit some of them gals mighty nice.

Who is thet purty new gal in school? She ain't no bigger'n a half-pint, but you gals had better watch your sweet-patooties.

I've decided that Fat Harrison and Les Lisle look jist like our ole work horses after I git through cuttin their manes. They've got their hair shaved off their heads.

Hampton, Mary May wants me to ask you if she kin wear them red socks of yourn?

I seen Mrs. Carruth and Bruce awalkin' tother day and I want to know when Bruce's birthday is cuz I'm sure goin' to give him a Shetland pony.

Scoop and Ather wuz walkin' tother day. I thought I would stop and take 'em spoonin. I slipped up behind 'em to surprise 'em and Scoop wuz a sayin':

"I love all you little girls with your sweet smiles and curls."

Ather sez:

"And I love all you little boys with your sorrows and joys."

I decided rite then that they didn't need no help with spoonin'.

I wanta know why Helen Hardman has stopped fixin' them beau-catcher curls. Has she caught a beau?

Wal, I gotta go git them little calves out of the pasture, so you kids be real good.

? CACTUS CAL.

P. S.—I heard that them juniors wuz even better'n them seniors when it comes to puttin' the King and Queen over, so stay in there juniors.

Student Chapel Features Songs And Readings

The Assembly program, held in the auditorium, March 1, consisted of three songs by the assembly, a reading, and three vocal numbers by the Girls' Glee Club.

After the Assembly was called to order by Armor Lee Greenfield, Mr. Carruth announced that the High School would receive a half holiday on March 2, Texas Independence Day, because of the basketball tournament held at the College.

The entire assembly then sang three songs accompanied by Robbie Lee Foster at the piano, and directed by Loura Ferne Brian.

Following this Anna Mayo Sharp read, "Aunt Jemsia Jane" and the Glee Club entertained for the first time this year with three more songs.

After singing the school song, the student body was dismissed.

Miss Lenna Foster, C. H. S. ex-student, visited in Canyon over the last week-end.

County Meet Scheduled For March 15-17

The county meet of Randall County in which practically all schools of the county will participate will be held March 15, 16 and 17.

The program for the meet is as follows:

Thursday night: All declamations and extemporaneous speech in high school auditorium, 8:00 o'clock.

Friday afternoon, 2:00 o'clock: All spelling contests, arithmetic; 3:00, essay contests; 3:30 girls' volley ball contest.

Saturday morning, 9:00 o'clock: Tiny Tot story telling in high school study hall. There are two divisions, first and second grades, and third and fourth grades. Each school is entitled to one entry for each division, or not more than two from a school. The boys' and girls' playground ball and tennis will be at 9:00 o'clock also.

Saturday afternoon, 1:00 o'clock: All track starting with sub-junior events; 50 yard dash, broad jump, throwing playground ball, and horseshoe pitching, a junior boys' event.

Supervisor's Column

Concerning the value of good music, someone has said, "If one really loves good music it is hard to be a criminal."

Music is a very necessary element in man's life; it helps him to forget the sordid things of life and to elevate himself above life's unpleasant phases. Good music should be part of anyone's education. A large majority of the schools of the United States have realized this and have made music instruction a part of their regular curriculum.

The Canyon Elementary Schools offer public school music to all its pupils. The question is often asked, "Do the pupils get real value out of general music instruction?" The question has been answered by students themselves in answer to a questionnaire that was recently given out.

For the past two years as a part of their regular music instruction, the students have been listening to the monthly broadcast of the Walter Damrosch Hour. The following questions and answers were given:

1. Do you think listening to the Damrosch radio program helps you to understand music better?
Ans. 109 yes; 9 no.
2. Do you think listening to the Damrosch radio program helps you to appreciate music better?
Ans. 113 yes; 5 no.
3. Had you rather listen to music or sing?
Ans. 54 listen to music; 64 sing.
4. Had you rather listen to good music (such as we hear and sing at school) or jazz?
Ans. 103 good music; 15 jazz.

This is conclusive evidence that music appreciation as taught in our public school is becoming a part of the life of these pupils. These data indicate that the jazz age through which this country has been passing for the last 15 or 20 years is dying out under the steady pressure of more wholesome instruction. If America can become a singing nation and a lover of good music, a large part of the national crisis will be solved. The psychological effect of singing instead of howling will be more wholesome for the nation.

Canyon Hi Debaters Meet Olton Teams Friday Night, Mar. 2

The debate teams of Canyon High School are progressing nicely.

Last Friday night Olton came to Canyon and Alton Brasuel and Bob Orton debated the Olton boys and Bobbie Jo Cheyne and Irene Thompson the Olton girls, both Canyon teams taking the negative. These debates were not judged.

The debate with Wildorado was called off because of the debate tournament at Brownfield, which Canyon failed to reach on account of car trouble.

Thursday night the Hereford debaters and extemporaneous speaker will come to Canyon. Saturday morning at 10 o'clock the Borger teams will be in Canyon.

Tuesday night of next week, Canyon will go to Borger, and Wednesday night Amarillo will bring its teams to Canyon.

The debaters in order to letter will have to debate eight interscholastic debates. Those having enough debates to letter at present are Bob Orton and Jack Oldham.

Junior Orchestra Organized in Grade School

Mrs. J. D. Barker, music instructor of the grade school, is organizing a Junior Orchestra. The members of the orchestra with their instruments are as follows:

Violins: Ruth Nichelson, Martha Joe Newlin, Ketty Johnson, Natalie Flesher, Obera Burgan, Sunshine Harden, Ray Nell Rigsby, Billie Davis, D. E. Mariner, Raymond McKee, Walter Richeson, Jack Price, Carl Criswell, Donald Foster.

Clarinets: Renna Beth Bellah, Martha Carlee Wirt, W. J. Wooten.

Piccolo: Hal Harrison.

Saxophone: Zella Laughery.

Trumpets and cornets: Dorothy Strain, Charles Gerald, Billie Joe Hunter, Anna Ruth Schmitz, Glenna B. Eastwood.

Altos: Glen Hicks, Donald Olson.

Trombones: Garl Cone, Marie O'Donald, Vaughn Vandergraff.

Bass Horn: Joe Harry Roberts.

Bass Drum: Dick Redfearn.

Snare Drum: Bob Ziegler.

Mrs. Barker stated that there were now 32 members of the Junior Orchestra and that there were several more students thinking of getting instruments later. Mrs. Barker helps the students during their study periods in her spare time. Later she is planning to have them in small groups; then when they get familiar with the first few lessons in the book, she intends to put them all together.

Girl Scouts Study Panhandle Birds in Museum Trip

The Girl Scouts, under the direction of Miss Lois Goodrich, visited the museum last Tuesday. The girls left the high school at three o'clock and proceeded to the museum, where they made a study of a collection of birds, collected and presented by Kenneth Carlander. Each girl took her notebook and pencil to take notes, in order that she might recognize any one of the birds when seen in the future. After leaving the museum at five o'clock, the girls went to the Buffalo, where they were entertained with a party as the guests of Miss Goodrich.

Thirty-two Studes Make Honor Roll

For the first six weeks of the second semester thirty-two students made no grades lower than B. Of these, seven were freshmen, four sophomores, twelve juniors, and nine seniors. Twenty-five of the thirty-two were girls, while only seven were boys. The following students were on the honor roll:

Winnie Dee Hicks, 4 A's.
Kathryn Hill, 4 A's, 1 B.
Lorene Bessire, 4 A's, 1 B.
Marie Price, 4 A's, 1 B.
Alton Brasuel, 3 A's.
Owen Miller, 3 A's, 2 B's.
Evelyn Cluck, 3 A's, 1 B.
Kate Donnell, 3 A's, 1 B.
Sherman Higdon, 3 A's, 1 B.
Marielle Oldham, 3 A's, 1 B.
Billie Bee Flesher, 3 A's, 1 B.
Mary May Harrison, 3 A's, 1 B.
Irene Thompson, 3 A's, 1 B.
Mildred Shuman, 2 A's, 2 B's.
Mary Ella Davis, 2 A's, 2 B's.
Robert Orton, 2 A's, 2 B's.
Jack Oldham, 2 A's, 2 B's.
Jewell Chambers, 2 A's, 2 B's.
Thelma Bryant, 2 A's, 2 B's.
Rubye Foster, 2 A's, 2 B's.
Ruth Richeson, 2 A's, 1 B.
Beulah Brasuel, 1 A, 3 B's.
Hal Gamble, 1 A, 3 B's.
Joe Morris, 1 A, 3 B's.
Arenta Kirkpatrick, 1 A, 3 B's.
Loura Ferne Brian, 1 A, 3 B's.
Ellen Hicks, 1 A, 2 B's.
Gailen Porter, 1 A, 2 B's.
Armor Lee Greenfield, 1 A, 1 B.
Dora Mae Plaster, 1 A, 1 B.
Ruth McCrerey, 4 B's.
Virginia Burgan, 4 B's.

MRS. C. E. STRAIN IS ILL

Mrs. C. E. Strain, principal of the Canyon Grade School, has been ill for the past several days. As she has been confined to her home, Mrs. Wm. Robinson has been substituting in her place as principal.

Margaret Croson spent last week end on her sister's ranch near Claude.

Tyson Cox, an ex-student, and "Fat" Childers, a student of C. H. S., were in Tulia Friday.

Wilma Price, Helen Hardman, and Virginia Burgan were in Pampa, last Friday.

Bill Cone spent the week end in Dimmitt.

Miss Ethleen Murrell was in Plainview over the week end.

Spanish Club Holds Regular Meeting, Mar. 5

The Spanish Club held March 5 was called to order by the president, after which the secretary called the roll and read the minutes of the February meeting. The program chairman took charge and the program given was as follows:

The Learned Mayas—Winnie Dee Hicks.

Death of Sandino—Loura Ferne Brian.

Balboa, Super-Explorer — Lee Christine Cousins.

Bolivar, Genius of Liberation—Jack Oldham.

Mexican Rose, Quartet—Lee Christine Cousins, Cloie Hail, Rowena Lockwood, Irene Mullins.

Since Geraldine Heath had resigned her office as secretary Cloie Hail was elected to fill her place. Refreshments were served by Irene Mullins and the Spanish Club was adjourned.

Physical Geography Produces Crop of Weather Prophets

As a result of the Physical Geography class that is being taught this year by Miss Grace Clark, a number of weather prophets are bound to materialize.

In this class are found eleven of C. H. S.'s most brilliant students, (brilliant along some lines), who are now in the midst of studying the weather and causes of different kinds of weather.

A very interesting record and comparison of days was kept for fifteen days which time only two out of the entire fifteen were clear days. Work on the charts had to be discontinued, however, when the most unexpected and unpredicted rain came. As rains are so unusual in this moisture-forsaken country, no place was put on the charts for rainy days; so the charts were handed in without the notation of the "miracle" on them.

Other interesting experiments have been made in the class. In answer to the inquiries that are being made concerning the ice used in the physical geography class, the students say it was not used for the making of ice cream or the serving of lemonade, but it was used in an experiment in the condensing of air on cold objects.

Miss Clark says that physical geography is an interesting subject because it deals with things one has about him wherever he is. I am sure those eleven pupils must enjoy it a great deal because, in reply to the teacher's request that they study while in the study hall, they have a good alibi for gazing dreamily out of the study hall windows at the constantly changing sky.

Character Building Will Be Discussed at P. T. A. Meeting

The Parent-Teachers' Association will meet Thursday, March 15, in the high school auditorium at 3:15 o'clock.

The program consists of two talks, "The School's Contribution to Character Building," by Mr. George S. Terry, principal of the high school, and "The Home's Responsibility to Child Character," by Mrs. J. A. Hill. The program will be concluded by group singing.

PARTY GIVEN FOR SENIOR LEAGUE

The Senior League of the Methodist church had a party at the home of Mr. and Mrs. George S. Terry, Monday night, March 5. Miscellaneous games were played throughout the evening. Refreshments of punch and cookies were served to the following members and guests:

Evelyn Cluck, Mary Collins, Mildred Shuman, Anna Mayo Sharp, Billie Greenfield, Marielle Oldham, Lee Christine Cousins, Mary Ella Lowe, Bill Price, Armor Lee Greenfield, Neva Robbins, Claudia Fae Teal, Mary Graham, Helene Oliver, Christine Shackelford, Margaret Nicholas, Ellen Lois Cleavinger, Wayne McNeill, Jack Oldham, Willard Childers, Rev. J. O. Quattlebaum, Mrs. W. H. Stroud, and Mr. and Mrs. Terry.

C. H. S. STUDENT BODY GREETED BY NEW STUDE

The membership of the campus of C. H. S. was increased a few days back by the arrival of a young maiden from Sulphur Springs, Texas. She is new to some of the students, but not to all; she attended school in Canyon when she was in the 5th and 6th grades. This student is none other than Frances Goggins, a new bright light in the junior class.

Eaglettes Win Over Vega; Defeated By Conlen in Tourney

The Canyon Eaglettes ended the 1934 basketball season on Saturday, March 3, at the district meet held at Tulia.

At 4 o'clock Friday afternoon the Canyon girls defeated Vega in the first game of the tournament. Having defeated Vega twice before, the Eaglettes were a little overconfident, and not until Vega gained a 10-1 lead did the girls settle down to their regular game of ball. The final score was a five point lead for Canyon.

It fell to unlucky Canyon's lot to be in the bracket with Dimmitt and Conlen, who were doped to be the strongest teams in the district.

At nine o'clock Saturday morning Conlen defeated the Eaglettes by a wide margin of 25 points. It is well to mention here that Conlen won the tournament over Friona by a substantial lead, and that three of the Conlen girls were chosen on the all district team.

For nine of the ten Eagle girls who made the trip, this was their last basketball game, since they will graduate this year. However, there is plenty of good material left, especially in the Freshman and Junior classes.

Inspector Stresses Food Sanitation to Grade School

Mr. Phelps, one of the seven health inspectors sent out by the state to inspect fresh and canned fruits, dairies, meat markets, etc., gave a twenty-five minute talk, Thursday, a week ago, to the elementary school, stressing the importance of careful buying of all products.

Mr. Phelps said that there was more fraud practiced in the food industry than in almost any other line of business, and that one should be careful not to buy inferior articles that might cause disease and ill health. He gave examples of how the pure food officials had caught up with crooks that were preparing and selling unwholesome food. He further stated that Canyon was to be congratulated on its recent milk ordinance that requires grade A milk to be sold.

Sophs and Juniors Win First Tilts In Intramural Tourney

The sophomores and juniors emerged victorious from the first two games of the intramural basketball tournament Monday. The sophs downed the seniors 14 to 12 in a close and hard-fought game, and the juniors defeated the freshmen 17 to 11.

The sophomore-senior game was close throughout, neither team ever gaining a substantial lead. The sophs succeeded in keeping the ball the greater part of the time, and were able to get more shots.

The juniors did not gain a good lead until the last quarter. The freshmen were leading 7 to 6 at the half.

The box score:

Sophomores (14)	fg	ft	tp
Taylor, f	0	0	0
Johnson, f	2	2	6
Brietling, f	0	0	0
S. Cox, c	3	0	6
L. Lisle, g	0	0	0
W. Cox, g	1	0	2
Totals	6	2	14
Seniors (12)	fg	ft	tp

R. F. Rusk, g	0	4	4
Totals	3	5	11

Francis Gill spent the week end in Umbarger.

P.H.S.P.A. Will Be Organized Mar. 24; Hold Meeting Here

Are you interested in newspapers for high schools? Then be on hand March 24, when the Panhandle High School Press Association holds its convention here. Many prominent newspapermen of the Panhandle will be present at the meetings, which will begin at 9:30 a. m., and be concluded at 6:00 p. m. with a banquet. Clyde Warwick and "Tack" (Gene Howe) are expected to give lectures at some of the meetings. The objective of the Association is to help those high schools which do not have a newspaper, to organize one, and those which do have one to perfect it. The Press Club of Canyon High School is instigating such an organization and has invited students and sponsors of sixty-one schools in the Panhandle who are interested in journalistic work in high schools to attend the initial meeting of the organization.

Who's Who

"I refuse to talk," stated Alton Brasuel, as an interviewer stopped him in the hall.

Alton Brasuel, the famous senior president of '34, gave the town of Keota, Oklahoma, "a big break" by living there the first three years of his life. Being yet unable to support himself, Alton moved to Grenville, N. M. with his folks. After living in Grenville for five years, Alton moved to West Texas. "This was the first big mistake of my life," Alton stated. When Alton first moved to West Texas he made his home near Claude. He moved to Canyon and entered school when he was thirteen years old. During the past six years here, he has made an excellent record for himself.

When asked one day what he liked to eat, Alton said, "I like beans and corn bread with a little Irene Thompson on the side." (Left side of course. He eats with his right hand, you know.)

"Although I am outstanding in all athletics, I believe I like football better than basketball or track," Alton stated once, before he realized he was talking to a reporter.

When Alton was asked which one of his courses he liked best, he said, "It's kinda hard for me to decide a thing like that. You see I am taking three subjects and I just made three A's this six weeks. I'll let you decide that question for yourself."

Can you folks see why Alton was the president of the senior class? Watch out Mr. Roosevelt, you might get demoted.

CAN YOU IMAGINE—

"Bud" Myers and Lawrence Fulton playing on the same basketball team?

"Les" Lisle and "Fat" Cox with long hair?

"Pee Wee" Lowe six feet tall?

"Sis" Overton with a Mae West figure?

Frieda Lowry not blushing?

Sewell Cox forgetting to be courteous?

Mr. Carruth other than absent minded?

Mary Ella Davis being stuck-up?

Curtis Ellison not being bashful?

Kenneth Black using his head?

Bill Cone having his geometry lesson prepared?

Tommy Lair meeting history class on time.

Wade Johnson attending school regularly?

Helen Hardman and Lorene Bessire without make-up?

Grade School Prepares For League Meet

The grade school has been working on the Interscholastic League contests.

Miss Thorp is working on story telling.

The sixth and seventh grade girls have been practicing playground baseball. They are being super vised by Miss Smith.

Miss Gamble and her class are working on plain writing and spelling.

The Interscholastic League meet will begin Thursday, March 15, and will last until Saturday, March 17.

Trixie Jackson, "Pee Wee" Lowes and Mary Dowlen spent the week-end in Slaton.

Miss Lois Goodrich visited in the home of Thelma Brummett at Kirkland, last week-end.

Miss Jewel Foster spent the week end in Dumas.

Miss Mattie Jordan spent the week end in Tulia.

Editorials

LET'S DRESS THEM ALIKE!

Canyon High School has a band, which adds to the pride and glory of the entire school system. Their music is good. After each performance, improvement on their ability to play is noticed. Only one thing remains—why not dress them alike?

In the fall, during football season, visitors come with their pep squads and bands. The pep squads in one body and the band by it, adding to the enthusiasm created by the game. When stunt time comes, out marches the pep squad, followed by the band, and gives something to represent the school.

Then when Canyon's time comes, the band must remain on the sidelines to play for the stunt, because they have no uniforms.

The band plays at many various occasions during the year. If each member was dressed in purple and white, wouldn't people take notice and realize that was Canyon High School's band? Wouldn't this advertise the school and town?

This would also encourage students to join the band.

Why not dress them alike? The football boys are dressed alike on the field, the pep squad has suits, the basketball boys are in uniform, then—why not the band?

CHALK DUST

Did you ever see a very innocent looking bunch of boys meekly come out of a room with smudges of white all over them? Well, if you had passed by the room five minutes earlier you would have heard a miniature war. The room would be rather hazy, but palely outlined at one end of a row of seats a doughty warrior would be seen crouching. As he raises his head to look for a worthy foe, a long arm protrudes from the other end of the seats, and an eraser neatly lodges between the first warrior's eyes.

This arouses the first warrior's ire, and he fires back with great zeal. It's a miss, and over goes dear teacher's flower vase.

"Lord, we'd better clear out."

This is a mild example of the many battles that have taken place in chalky haze. Some of the contestants go so far as to throw an occasional dictionary or an Ancient History text.

How can these smoky encounters be prohibited? This is a question that confronts all pedagogues. Some professors "rare and rave" but the more practical minded let it pass with the old adage "boys will be boys."

When this attitude is taken toward the boys, they begin to think that maybe they are doing something childish, and soon leave the erasers alone. Woe be unto the professor that tries to reform a bunch of boys with threats of terrible vengeance.

Robbie Foster went to Amarillo Saturday.

Fourth Annual Internatianal Relations Clubs Regional Conference

West Texas State Teachers College, Canyon, Texas
March 9-10, 1934

CONFERENCE PROGRAM

FRIDAY, MARCH 9

9:00 A. M.

Registration of Delegates.
Registrar's Office, Administration Building.

10:00 A. M.

Assembly of Delegates.
Main Auditorium, Administration Building.
Welcome
(a) For West Texas State Teachers College, J. A. Hill.
(b) For the local club, Glen Reeve, president.
Response, New Mexico A. & M. College, Las Cruces.

11:00 A. M.

Round Table, The Cuban Situation.
Dr. C. B. Casey, Sul Ross S. T. C., presiding.
(a) Background of the present political situation in Cuba—New Mexico University.
(b) Relations between Cuba and the United States—our future policy—Texas Technological College.
(c) Open discussion.

12:15

Luncheon, College Cafeteria.
Prof. B. H. Warren, Wayland College, presiding.
Introductions:
1. Dr. Amy Heminway Jones.
2. Mr. Ernst Uiberall.
3. Hon. David Maynard.

Group discussions of pertinent problems.

2:00 P. M.

Administration Building Auditorium.
Round Table, Present Crisis in International Organization—Dr. A. S. White, University of New Mexico, presiding.
(a) Significance of Germany's withdrawal from the League of Nations—Sul Ross State Teachers College.
(b) Recent attitude of Italy and Great Britain toward the League of Nations—New Mexico A. & M. College.
(c) Attitude of the United States toward the League and international cooperation—Amarillo Junior College.
(d) Proposals for altering the League—Silver City State Teachers College.
(e) The movement for the development of regional leagues as opposed to an universal league—New Mexico Normal University.

Address: The Problem of Austria—Mr. Ernst Uiberall.
General Discussion.

4:00 P. M.

Visit Panhandle-Plains Historical Society Museum.

5:00 P. M.

Tea honoring International Relations Clubs visitors, Episcopal Little House of Fellowship, Mrs. Elizabeth Fry Page, hostess.

7:00 P. M.

Annual International Relations Clubs Dinner, Cousins Hall.
Dr. J. A. Hill, president W. T. S. T. C., presiding.
Welcome, Mr. Herschel Coffee, W. T. S. T. C.
Introductions.
Address, "Recent Political Trends in China," Hon. David Maynard.

SATURDAY, MARCH 10

8:30 A. M.

Business Session, Room 17, Administration Building.
(a) Club reports.
(b) Election of officers.
(c) Selection of 1935 meeting place.

9:30 A. M.

College Assembly, Dr. J. A. Hill, presiding.
Introductions of faculty sponsors of International Relations Clubs.
Address: "The League of Nations Yesterday and Tomorrow"—Dr. David Maynard.
Adjournment of I. R. C.

12:00 M.

Subscription luncheon, Long Horn Room, Room, Amarillo Hotel, Amarillo.
"The Work of the Carnegie Endowment"
—Dr. Amy Heminway Jones.
"The Future of Austria"
—Ernst Uiberall.
"The World Economic Situation"
—Hon. David Maynard.

Note: An information desk will be maintained all Thursday afternoon in the office of the Registrar, first floor, Administration Building. Here visitors may secure their assignments to rooms.

Tickets, 50 cents each. Luncheon sponsored by the Civic and Service Clubs of Amarillo.

Joe Hill, Jr. Is Youngest Member at Little America

Joe Hill, twenty year old son of President and Mrs. J. A. Hill, is the youngest inhabitant of Little America, according to the broadcast of the Byrd Antarctic Expedition Saturday evening. The oldest member of the group stationed there is 47.

The Expedition is now engaged in making additional bases for food supplies, according to announcements made during the broadcast. Joe has been assured that he will stay with the group on the ice.

Trigg School News

The church service at 3 o'clock Sunday, had a better attendance than usual. Interest in this service seems to be growing. Special music was furnished Sunday by a male quartet from Amarillo. Patrons of the community are urged to attend these regular Sunday afternoon services.

Mr. and Mrs. R. D. Mason and family and Mr. and Mrs. M. C. Mason and family from Friona, visited in the home of their mother, Mrs. N. G. Mason, last week.

Mrs. Mason and Mrs. F. L. Broaddus called on Mrs. T. M Broaddus, Friday afternoon.

Mr. and Mrs. J. W. Broaddus and daughter, Annie Lee, Mr. and Mrs. Hurdle, Max Klinger and Elizabeth Hales, were Sunday visitors in the home of Mr. and Mrs. F. M. Broaddus.

Mr. and Mrs. Harley Burrus visited Mr. and Mrs. Henry Meyer of Canyon, Sunday.

Mr. and Mrs. Kenton Penrod visited in the home of Mr. and Mrs. A. L. Masters of Amarillo, Sunday.

Dorothy Mason sent Saturday night with her sister, Mrs. F. M. Broaddus of Amarillo.

Edward Fluegal is back in school after an absence of one week.

Miss Maxine Middleton of Canyon is visiting Miss Margaret Tankersley.

Mr. and Mrs. J. A. Warlick were Sunday guests of Mr. and Mrs. H. M. Stitt.

Mr. and Mrs. Jewell Jones and Mr. and Mrs. J. A. Warlick called on Mr. and Mrs. Henry Bassett Sunday. Mr. and Mrs. Bassett's baby is quite ill with the measles.

John Levi Broaddus is ill with the chicken pox.

Howard Bragg of Canyon visited Luther Jones Sunday and Monday.

Misses Inez Riddling and Glennis Wiseman of Canyon were guests in the home of Mr. and Mrs. Nuckols Friday and Saturday.

Louise Tankersley is still improving rapidly, and will soon be in school again.

WHEN THE THERMOMETER DROPS

HERE'S PROOF
Phillips 66 is
HIGH TEST
Gravity 63.5° to 68°

Phillips 66

Your motor needs high test gasoline for quick starting in freezing weather. You know that. You also know that Phillips is the world's largest producer of natural high test gasoline.

Is it any wonder then, that in every ad we tell you exactly *how high* the test of Phillips 66 is! Not with high-sounding, meaningless claims. But with plain figures . . . which are definite proof of honest high test . . . which guarantee more value for the money . . . which insure real action for every cent you spend to fill the tank.

Phill-up with Phillips and feel the difference. Your motor starts with split-second speed. Soon it purrs along as smoothly as on a rainy night in June. You use less choke and go more miles to the gallon. You get less vibration and more power, less noise and more speed. Stop for a trial tankful at any Orange and Black 66 shield.

DON'T FORGET PHILLIPS 66 MOTOR OIL
ABSOLUTELY OUR FINEST QUALITY · 25¢ QT.

"HIGHEST TEST" AND *anti-knock*
at the price of ordinary gasoline

Sunny Hill News

A nice rain fell in this section this week. Surely was needed.

Mrs. Pearl Miller of Keyes, Oklahoma, is a guest of her mother, Mrs. J. A. McFarland.

Attendance in Sunny Hill school was very irregular last week. Three pupils are absent now; one has measles, the other two have colds and sore throats.

Betty Ruth, the little daughter of Mr. and Mrs. Henry Ratjen is ill at this time.

Mr. and Mrs. Rex Roby, Mrs. Kiser and Baby Don Kiser, visited Ernest and Elora Duncan in Canyon, Sunday. They visited the museum in the afternoon and attended B. T. S. and church services in the evening.

An argument with your wife is an uncertain thing; you never know when it's about to turn into a bout.

Wayside Items

We've had moisture! Thursday March 1st, a slow rain or mist fell nearly all day. Sunshine since, but more misty weather, and still cloudy. Not a downpour, but enough to do some good.

W. G. McGehee and his family reached Los Angeles Monday after leaving here Wednesday. A strenuous trip for the sick boys. Dick stood the trip best.

Marvin Hamblen has moved to Canyon. We understand he has rented land from J. W. McCrerey We wish him success wherever he goes.

M. L. McGehee and wife went to Amarillo Mother-in-Laws Day. Mrs. McGehee registered as a mother-in-law.

Sara Frances Smith and Henry Hamblen, Canyon students, visited homefolks the past week end.

Rev. J. A. Lindley and wife of Tulia, were with us Sunday, filling his appointments morning and night.

Dinner guests in the W. H. Hamblen home Sunday were, Bro. and Sister Lindley, Mrs. Lou Gillham and Dick Howard, and Fannie Mae Franklin.

W. I. Lane and wife motored to Amarillo Monday, spent the night in Canyon and returned to Amarillo Tuesday. Mrs. Lane registered.

Mrs. E. J. Culwell was among those who registered as mother-in-law.

W. R. Franklin, wife and Fannie Mae, also Mrs. Manford Counterman and Eva Marie motored to Canyon Monday, W. R. and Mrs. Counterman going on to Amarillo.

Lyman York McGehee and Fannie May Franklin are out of school both sick. Glen Franklin is out of school with chicken pox.

A play at the school house Friday night, "Beads on a String."

Kenneth Knox took his wife and son, John Harvey to Ida Lou to visit the parental W. H. Rogers home last week to visit some weeks. Three of the Rogers children had measles and John Harvey has never had them.

W. R. Franklin has been ailing for more than a week, able to be up, but not able to work.

Tuesday was an ideal spring day.

Wildorado School Visits College and Museum Saturday

Saturday the pep squad and football team of Wildorado visited the Panhandle-Plains Historical Society Museum and the College Plant. They were conducted on their tour by Dr. Angie Debo and Miss Hattie M. Anderson.

Vernon Baker, '33, is superintendent of the school and Howard Batchelder is principal. Thirty-five students and faculty were in the party.

The trip was awarded the team and pep squad for a certain game won during the football season.

Man, says a preacher, has two natures. Well, he needs two, if he has to take a wage cut and then rejoice at the same time because prices are going up.

Johnson Items

Commissioner J. J. Bauer was in Amarillo on business Tuesday.

Mr. and Mrs. Morris Small, Mr. and Mrs. J. L. Brooks, Jr., Mr. and Mrs. Verle Iverson, and Luther Hollabaugh were visitors in the home of Mr. and Mrs. Clarence J. Bauer Sunday evening.

Mr. and Mrs. Albert Dietrich, Mr. and Mrs. Bill Goettsch, Mr. and Mrs. John Ebeling, and Mrs. Paul Goettsch spent Sunday in the E. J. Bauer home.

The men of the community played the school children a game of baseball Friday afternoon. Despite the odds against them the children made the game interesting for their elders as the score of 34 to 11 showed.

Mr. and Mrs. E. J. Bauer and daughter, Dorothy, and Mrs. L. F Spiser went to Amarillo to take county exhibits.

Mr. and Mrs. E. B. Harvey visited in the J. J. Bauer home Sunday.

Mr. and Mrs. I. L. Bauer spent Monday in Amarillo.

Mrs. L. F. Spiser entertained the small people of the community with a birthday party honoring her young son, Willard. Refreshments of cocoa and cake were served the little folks.

Pre-Med Students Attend Meeting

Dr. Pierle and a group of pre-med students visited the meeting of the Five County Medical Society in Hereford Friday. Dr. Sandefer, eye, ear, nose and throat specialist of Lubbock, gave the principal address of the meeting.

Those attending from here were: Dr. C. A. Pierle, Margaret Pierle, Helen Edwards, Carl Spratt, Bob Rowan, Fred Steele, and George Bishop.

WHY GET UP NIGHTS?
USE BUCHU AND GIN
Make This 25c Test

It is as valuable to the bladder as castor oil to the bowels. Drives out impurities and excess acids which cause the irritation resulting in getting up nights, burning, frequent desire, leg pains and backache. On account of the alcohol use juniper oil from which gin is made. Ask for Bukets, the bladder laxative also containing buchu leaves, etc. After four days, if not pleased your druggist will return your 25c. You are bound to sleep better after this cleansing. City Pharmacy says Bukets is a best seller.

NOTICE TO PATRONS
CANYON INDEPENDENT SCHOOL DISTRICT

Beginning March 1, the Scholastic Census of the Canyon Public Schools will be taken. Mr. Andy Walsh has been elected secretary of the district and will start soliciting at this time.

Inasmuch as the state apportions $16 per pupil, it is very important that each child coming under the school age of 6 to 18 be given to Mr. Walsh.

All courtesies extended to the enumerator will be appreciated by the Board.

Signed

The Canyon Public School Board

A New Point of View

The highest value of good lighting lies in recognition of the fact that good light is not a GUESSING MATTER. Of about equal importance in the family's budget is to remember that wasted lighting cannot be salvaged—very often there are premature burnouts and a bulb blackening which can always be corrected by constructive suggestions of this company or your electrical dealer.

in the auditorium Friday at 11 and at 2 o'clock. Likewise, citizens are invited to attend the luncheons and the banquet. Reservations for the banquet should be made with Herschel Coffee by Thursday.

Professor Condron will receive reservations for the luncheon in the College Cafeteria anytime before Thursday evening, and reservations for the luncheon in Amarillo must be made by Friday afternoon.

When the delegates register in Registrar Shirley's office Thursday evening and Friday morning, they will be assigned to various Canyon homes to which they will be taken by members of the Courtesy Committee, which is composed of Frances Rogers, Margaret Harvey, Betty Hicks, Leonard Mills, Herschel Mills and James Compton. This committee will also have the duty of showing the delegates around the campus.

Tea at Little House

Tea will be served to the delegates at the Little House of Fellowship Friday afternoon at five o'clock with Mrs. Elizabeth Fry Page as hostess.

Among the guests expected from Amarillo are Mr. and Mrs. John E. Hill, Mayor and Mrs. Ross Rogers, Judge and Mrs. Henry Bishop, Bishop E. C. Seaman, the Reverend Dr. Roy Snodgrass, and four News-Globe representatives. Special guests from Canyon are Mayor C. R. Burrow and Superintendent Irby Carruth.

Dr. Maynard, principal speaker for the Conference, has been an instructor in important Chinese and American Universities, a member of the economic section of the League of Nations Secretariat, and United States Commissioner at Hong Kong. He will speak at the banquet on March 9 on "Recent Political Trends in China." On Saturday morning, March 10, he will speak in chapel on "The League of Nations—Yesterday and Tomorrow," following which he will appear on the program at the luncheon in Amarillo.

The luncheon to be held on Saturday in the Amarillo Hotel is sponsored by the Business and Professional Women's Clubs and the various civic organizations of Amarillo. Approximately five hundred guests are expected from among the teachers, students, and business men and women. Dr. Maynard, Mr. Uiberall, and Miss Jones will speak at the concluding session of the meet.

American Legion Will Observe 15th Birthday, March 15

The local American Legion Post will join with thousands of other posts throughout the United States in observing and celebrating the fifteenth birthday of the American Legion, on March 15th. Fifteen years ago, the first meeting of the American Legion was held in Paris, France, by a group of world war veterans. Since that date it has grown into the largest organization of its kind in modern history.

All ex-service men, who are residents of Randall County, whether members or not are invited and urged to be at the Legion Hall in Canyon at 8:00 o'clock Thursday evening, March 15th. An appropriate program is being worked out by the program committee.

SCHOOL DAYS — By DWIG

Art Exhibit To Be Shown Until the 10th of March

An art exhibit including 150 color prints from old masters and modern artists is being shown this week in the Oasis building just across from the college campus, and tickets cost only ten cents. The exhibit is under the auspices of the Phidias Art Club. The exhibit room is open from 9:30 to 5:00 each day and visitors may spend as much time as they wish looking at the pictures.

The variety of pictures is such that it interests all ages from tiny children who will enjoy "Maytime" and "Playtime" of Hencke, an American artist, to adults who will find themselves returning again to Tyng's "Lincoln," or the Gilbert Stuart "Washington," or Amick's "Oregon Trail" or Wiegand's "Wings of the Morning."

This exhibit will remain in Canyon through March 10. It is furnished by the Colonial Art Company, Oklahoma City.

Outdistanced!

Palo Duro Peeps

School was closed this week on account of the measles.

Dinner guests in the Clarence Beckman home Sunday were Mr. and Mrs. Gus Leseberg, Mr. and Mrs. G. H. Leseberg and Mr. and Mrs. Raymond Tucek.

Misses Hilda, Dora, Clara, and Martha Miller visited with Miss Alice Wallace Sunday afternoon.

Miss Herta Meyer of Friona spent the week end in the parental Herman Meyer home.

FIVE MORE WHEAT CHECKS ARE RECEIVED

Five more wheat checks were received yesterday by County Agent W. H. Upchurch. There remains seven checks which have not been sent to the county.

Notice has been sent out from Washington that the wheat allotment will be re-opened for the purpose of reducing the allotment, but no definite instructions have been received here as yet.

Jap Envoy Here

His Excellency Hiroshi Saito, new Japanese ambassador to the United States, has arrived in this country to take up his new duties. Saito, who brought his wife and two daughters with him to Washington, is shown above shortly after his boat docked.

For District Judge, 47th Judicial District:
HENRY S. BISHOP

Contributions Of Dr. R. B. Cousins is Being Circulated

"The Contribution of Robert Bartow Cousins to the Educational Development of Texas" has been completed and ready for distribution. The book is written by Henry Alexander Davis for his Masters thesis at W. T. A limited edition was printed by the College for distribution among the personal friends of Dr. Cousins and to be placed in libraries of the state. The Warwick Printing Co. printed a few extra copies which will be placed on sale.

Dr. Cousins was the first president of W. T., coming here to establish the college from the office of Superintendent of Public Instruction. After serving W. T. from its opening in 1910 until 1918, he retired to enter business, but soon returned to the teaching profession as head of the Houston city schools. He later was appointed president of the college at Kingsville, giving him the distinct honor of having started two of the leading educational institutions of the state.

Mr. Davis traces the career of this distinguished educator in a most interesting manner.

PRESIDENT'S BALL IN COUNTY NETS TOTAL $42.20

Randall county contributed $42.20 to the President's ball held last month, according to the reports made in Canyon and Umbarger.

The American Legion and Auxiliary sponsored the ball in Canyon, clearing $25.00. At Umbarger the ball cleared $17.20. Both contributions will go to the Warm Springs foundation.

Mrs. Ted Schuler and children of Petersburg returned to their home Sunday, after spending the past week with her mother, Mrs J. E. Greenfield.

CLASSIFIED ADVERTISING

Classified rates are two cents per word for the first insertion, and one cent per word for each subsequent insertion. This rate applies to all legal notices.

All classified advertisements must be paid in advance unless arrangements are made in person to care for the payment of them. Classified ads received through the mail will not be published unless accompanied by the cost of insertion.

Word ads intelligently—do not try to save a few cents by leaving out necessary words; tell who, what, where, and, if essential, when and why.

REPRODUCTIONS OF MASTERPIECES SHOWN

Full color reproductions of some of the finest paintings, through the facilities of the Colonial Art Company and by the direction of the Phidias Art Club of the College, are being shown this week. There are works of the best known artists of the world.

It has been the practice of the Phidias Art Club in the past to hold an exhibit each year in the interest of the art-minded educabila of this city and Amarillo.

Those interested will find the exhibit pleasing. It is being shown in the Oasis building, west of the Education Building.

WINS PRIZE

Barry McCarter, young son of Professor and Mrs. T. B. McCarter, is not only a "Dan Dunn Detective" but his name was recently announced in the Dallas News as the winner of a dollar prize from this organization.

Mrs. L. S. Baker was brought home from the hospital in Amarillo Tuesday. She is recovering from an operation performed two weeks ago.
